Abstract Guidelines

Dear Colleague,

Society of Fetal Medicine encourages participation of all members through presentations at all its conferences, congresses and webinars. SFM Bihar Chapter Outreach Program at Muzaffarpur will be held on 4th October 2026. It brings an excellent opportunity for you to present before the entire audience. This can be done if your abstract of original research/ work and case reports is selected for oral or poster presentation. Submit your abstract today. Please do not miss the deadlines.

Abstract Submission Guidance

- All abstracts have to be sent to sfmmuzaffarpur@gmail.com
- There are two categories:
 - Oral Paper Presentation
 - Electronic Poster
- Abstracts must be submitted in English,
- Each abstract should consist of a “formal” word file.
- All abstracts will be anonymised and peer reviewed by an independent set of judges.
- All the presenting authors need to register. In case your abstract is not accepted and you don't want to attend the CME, your registration will be refunded.
- The abstract body should be limited to 250 words and 15 words for the title of your submission.
- The title should be entered in CAPITAL LETTERS. Please do not put your title in quotation marks. Please do not use formatting tags in the title. Please do not add a full stop ('.') at the end of the title.
- The abstract must not contain any graphics, tables, pictures, or other types of figures.
- Abstracts should be structured using the following subdivision:
 - Introduction/ Background
 - Material and Methods
 - Results
 - Conclusions
 - Keywords
 - References (not exceeding 10)
- Authors must not include already published data
- Up to 8 co-authors may be included.
- If accepted for an oral presentation, the author will be able to make the presentation in front of a live audience at the CME. The time and other details of the session will be sent to the author in a separate email.
- If accepted for a poster presentation, the author will be required to submit the poster as a single ppt. slide in an electronic format in advance of the CME. Poster authors will be sent detailed guidance on how to do this, once their abstract is accepted. Posters will be made available electronically for delegates to access during the CME.

By submitting an abstract, you authorize Society of Fetal Medicine to record your presentation (if accepted). All or a portion of presentations, discussion, question and answer, comments, documents and presentation slides presented will be recorded and may be selected for inclusion on the event platform, website, On Demand web portal for members, YouTube & social media. These may also be used for promotional purposes.

Abstract Topics and Presentation Styles

Please select a topic which is most applicable to your study. Please specify the preference for oral presentation or poster presentation. Please note that the Scientific Committee will make the final allocation when the abstract is accepted. All abstracts must be on “Challenges in Fetal Medicine Practice” topics.

Important Dates

2nd September, 2026 - Abstract Submission Opens
20th September, 2026 - Abstract Submission Closes

Notification of Acceptance will be sent via email to the presenting author by 25th September, 2026.

All Abstracts will be peer reviewed for selection
